

## Register Now for the SIM PCMH Initiative Care Manager & Care Coordinator Affinity Groups

**Purpose:** Affinity Groups are designed for SIM PCMH Care Managers and Care Coordinators to facilitate networking, peer to peer learning, and best practice sharing across the state. We will have two types of Affinity Groups—an Adult Affinity Group and a Pediatric Affinity Group

**Who:** Open to all PCMH Initiative Care Managers and Care Coordinators. *Participation is voluntary*

**When:** See below for **November 2017** Affinity Group dates and registration

**Care Manager and Care Coordinator Learning Credits:** One hour of SIM PCMH Longitudinal Learning Credit will be earned per each hour of participation in the Affinity Groups, up to 4 hours total. Participants must register with their complete information to earn credit, anonymous participants will not earn Learning Credits. The sessions may be recorded for later viewing, however, to obtain Longitudinal Learning Credit participants must join sessions “live” (in real-time).

SIM PCMH Initiative Care Manager and Care Coordinator Affinity Groups
